

DCC Global Outreach Committee

Email contact: [GOC@dcchurch.org](mailto:GOC@dcchurch.org)

DCC's Global Outreach Committee provides leadership in supporting global workers and promoting short term opportunities for the congregation. They hold conferences for education and information throughout the year, and keep the congregation informed about world missions. They also provide information about mission events in the community.

Are you interested in world missions for long term service or short term opportunities? Please contact us! We will try to answer your questions or put you in touch with people who can help.
